LISTERMANN, BRADLEY M VS DAVIS, JAMES MICHAEL DAVIS**Los Angeles Superior Court - Case No. STRO05977***Filed 27 August 2019 | Closed 11 October 2019*

For those of you who have followed the transformation of Astra Veda Corporation from its unseemly and untoward beginnings as a typical pink sheets company, this notice is redundant.

For those of you who are new to our Company, we recommend you perform your own due diligence. Please review each release starting from the 23rd of April 2019 going forward.

On the 29th of November 2019, the Company released information announcing it was in litigation with the former Chairman and CEO Mr. Brad Listermann.

The Los Angeles Superior Court is one of the busiest in the United States. In addition to that fact, the global COVID pandemic measures have made the adjudication of our primary legal conflict extraordinarily slow paced. In recent months, our pace is finally starting to increase, and we expect to go to trial before the end of this year.

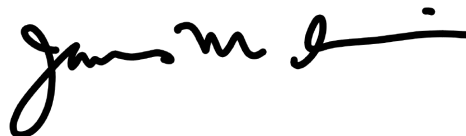

No matter the outcome or benefit of any one legal claim, it is our intention to provide historical transparency to the public to assist in determining risk to investors. Being an accessory after the fact to the previous CEO and his board of directors is also not a viable option. For example, the Paranotek team was not made aware of Mr. Listermann's criminal history prior to formation subsidiary Paranotek and this was a significant material omission in addition to a plethora of other bad acts.

To better provide context to future litigation involving the former CEO, his Board of Directors and other parties that conspired and/or participated in bad acts against the company, we will be providing public legal documents released by the courts.

Due to the nature of the information including details and facts, we cannot provide these updates on the OTC Markets Group Disclosure and News Services within their Terms of Service.

These disclosures are for due diligence purposes only and not intended as harassment or defamation. They are facts and indisputable. Any opinions shared are solely those of the author and not intended to be financial or investment advice.

To Whom It May Concern:

As a personal friend and colleague to Mr. Brad Listermann, I was asked to join the board of directors for World Flix and the majority owner of Paranotek. In an effort to further this business asset, Mr. Listermann brought Mr. James "Mick" Davis on the Paranotek team as CEO to help steward it forward, in particular for his associations with U.S. Intelligence and military agencies.

Throughout this time, I have had several conversations and communications in relation to Mr. Davis' prowess and tactics via his CIA experiences with Mr. Davis. It came to my attention as time went on that Mr. Davis was employing these tactics into his strategies in dealings on behalf of Paranotek, and then the CEO of World Flix Mr. Listermann as Mr. Davis orchestrated a hostile takeover of World, displaying several overtures of his use of these tactics. Needless to say, these actions are and were meant to be threatening by nature and by Mr. Davis.

Sincerely,
Todd Myers

Request for Restraining Order for James Mick Davis

HISTORY AND FILES RE: Restraining Order Request

Mr. Davis was hired to work with me at the company I founded in approximately 8-15-2017

2018 - March 2019:

Mr. Davis in the following action and events has placed me in great fear and concern for myself, my family and friends:

- 1) Mr Davis has bragged about his ability to hack accounts of anyone he wants and has done so to me.
- 2) He also claimed to track the phones of his family and kept tabs on their whereabouts unbeknownst to them.
- 3) He claimed to be a former NSA and CIA operative, (even stated he was a former "spy") that specialized in psychological warfare that included isolating an enemy and disseminating false information to discredit and harm them
- 4) Mr. Davis carries at all times a fully loaded weapon and once stated he will "shoot someone even when unsure if they are a threat or not." At that same in-person meeting, Mr. Davis made sure to show me his weapon
- 5) Can hack into phones, mobile devices, and other personal electronic devices both in-person and remotely using malware and other "tricks of the trade"
- 6) Mr. Davis bragged about his ability to find anything on anyone and destroy them if need be

During that time: Mr. Davis waged war on what he believed to be enemies of the company:

He accused Pacific Trust Senior Officer Joselyn Claiborne of being a criminal;

He accused a lender of the company, Mr. Gavis Silberstien of being a "Sex Trafficker and Terrorist";

Mr. Davis researched people's private information and disclosed documents on them including their home addresses, political affiliations, and other personal matters;

According to Apollo Financial, our company lender, Mr. Davis sent shareholders to their place of business to threaten or intimidate.

Because of my concerns over Mr. Davis's behavior and my desire to leave the company, I informed Mr. Davis of my intention to leave the company in March 2019. The effect of that was Mr. Davis took the opportunity to threaten and intimidate me with lawsuits and press releases designed to humiliate and slander me with false and inaccurate information if I did not sign an agreement to exit the company.

Attached:

- 1) Threatening Press Release and email
- 2) Statement from Masha Tolstikova (girlfriend of Brad Listermann).
- 3) Statement from Todd Myers - Friend and former board of directors.

Although the agreement was signed under threats and duress, I attempted to move on with my life. However, Mr. Davis would not allow that. He continued to take steps that resulted in me feeling threatened, humiliated, vulnerable and since I have a medical history of two heart attacks, the stress caused me to wind up back in the ER at Cedar Sinai Hospital in These include:

- 1) Hacking into my Gmail accounts prior to them being willingly signed over to the company in the plan structure
- 2) Hacked into my LinkedIn account and changed the bio and information to humiliate me
- 3) Mr. Davis continues to use online message boards under the alias of "phataviator" and "phatbasher" to publicly smear my name and humiliate me

I have to work almost always on my computers and mobile phone. I am constantly in fear of being hacked, afraid to open any attachments to my emails or files and spending significant time changing passwords and worrying over privacy due to Mr. Davis and his proven ability to hack my accounts. My friends and family have shared with me their same fears of Mr. Davis.

Attached:

1. Filing with FBI on Hack of LinkedIn account
2. Gmails regarding the hostile takeover of my google account
3. Whistleblower file email with FINRA on Mr. Davis's use of aliases
4. Medical records of my ER visit for heart related angina pain and current heart treatment for EECF.

PLEASE NOTE: Due to my three major cardiac events, including two heart attacks, I am an extreme high risk for stress related injuries that could be deadly. As a father of two young children, Mr. Davis's threats and harassment is an urgent and serious matter.

19S/R005977

Mr. Davis had publicly accused, Mr. Gavi Silberstien, a known "Terrorist and sex trafficker" of being a criminal. Mr. Davis knew that his actions has created some potentially very dangerous enemies of the company we both worked. In May of 2019, Mr. Davis knowingly publicly published the home address of my children, where he knew I no longer presided, in the company public report without my permission. When I requested that he remove it immediately, I received no response and it was not changed and left to this day in the public records. Anyone, angry shareholders, accused criminals, etc. could come to my children's home seeking myself and place them in danger.

Attached:

1. Emails requesting Mr. Davis to remove my children's address
2. Email excerpt from Mr. Silberstein of being accused as a criminal and sex trafficker
3. Copy of public record - a page listing my address as that of my children's

Over the last six months, Mr. Davis has been constantly harassing my friends, my business associates, my family members and myself. He was sending emails to my brother<Andrew Listermann and his company (Via Scott Sheridan) making different allegations of criminal wrongdoing, investigations and using intimidation to try and extort my brother in some fashion. [ex wife, Todd and Sean]

Mr. Davis has also sent threatening messages to my cousin, Dominic Listermann telling him he is lucky to not get in trouble as I am a "criminal". Note: Mr. Davis has never substantiated and shown any proof of any of his allegations.

It was at this time that my cousin informed me that Mr. Davis is involved in a lawsuit for brain damage caused by an accident. These injuries may have created a person capable of horrific and heinous acts, not that illegally hacking is not enough, but could result in personal injury to myself or my family. Because of Mr. Davis's constant use of weapons and his conversation with me in which he showed me his weapon and in a threatening manner, shared how he will "shoot first and ask questions later" I am in fear for myself and my family. I believe Mr. Davis to be a threat both on hacking accounts and accessing information to humiliate me, as well as potentially seeking retribution in person that could result in a threat to my life.

Attached:

1. Copies of text messages with Mr. Davis and Dominic Listermann
2. Copy of the messages between Dominic Listermann and myself

NOTICE TO CEASE AND DESIST

WorldFlix, Inc.

Ste. #205
Los Angeles, CA 90028

March 25, 2019

Re: Breach of Contract

Dear Mick Davis,

This letter is served upon due to your breach of the Employment Agreement (the "Agreement") that was signed on October 20th, 2017.

You freely agreed and signed a valid contract which was breached and/or violated. The Agreement was for the position of Chief Executive Officer of Paranotek, LLC, a Wyoming Limited Liability Company (the "Company"), a subsidiary of Worldflix, Inc., a Nevada Corporation (the "Corporation"), and Company Manager. This position and thereby Agreement, carries with it an implied fiduciary duty, as well as a duty of loyalty (confidentiality) and to act in good faith, in the best interests of the company with a level of care that an ordinarily prudent person in a like position would use, as summarized from Cal Corp Code section 309. Officers must always act in the best interests of the company. Breaches of this duty may result in civil liability.

It has come to the Corporation's attention that Mr. Davis has been disseminating potentially privileged Corporate and Company information to 3rd parties, both those affiliated with and without the Company and Corporation, that he may have had access to via his position as Company CEO. This letter serves to notify Mr. Davis of his duties to the Company and parent Corporation due to his position and the Agreement he executed. Any such unauthorized disseminations are prohibited. These disseminations are a breach of Mr. Davis' loyalty, good faith, and potentially fiduciary duties.

Please consider this letter a final demand to cease the aforementioned breaches and/or violations. You will not receive another warning letter and if you fail to comply, we will immediately seek a temporary restraining order in court against you and any accomplices in this matter. We will also bring a cause of action from breach of contract and tortious interference with contract against you seeking monetary damages to be proved at trial.

Hopefully, this recourse is not necessary, but we have our own interests to protect and will vigorously do so.

Sincerely,

A handwritten signature in black ink, appearing to read "Ryan Woods", written in a cursive style.

Developing and delivering innovative software for mobile and tablet devices is still a high priority for WorldFlix.

Paranotek As a wholly owned subsidiary, Paranotek is continually developing ideas and solutions into potentially profitable App's, API's and commercial enterprises.

The Paranotek team is currently at work on the new constriction app, API for Parano Encryption and Encrypted Messaging. Paranotek partnered with a group of elite Department of Defense contractors to create a set of **Parano API's** (Application Program Interfaces) to wrap around our patent-pending, Parano encryption technology into a software development toolkit and common interface capable of being licensed and sold to both government and commercial enterprise applications of all kinds. We anticipate a demo of the API may be available after 1st quarter 2019.

The **Sayphr Messaging app** is a new groundbreaking messaging app utilizing our Shor's algorithm resistant encryption enabling users to send messages and data safely and securely. Sayphr was reviewed by an multi-national security firm and after an extensive technical review, recommendations to retool the app to be even more "hacker resistant". These features were added to the design specifications and the app was rolled back to improve functionality and resilience.

Paranotek partnered with a New England investment group to make a **Construction Management App** for a client. The results were a highly regarded product set to be duplicated and produced for the growing billion dollar constriction management app market. The Paranotek team spent much of 2018 developing the app and it will be available to the market in Q3 2019.

WorldFlix and its and affiliated partners continue to research new innovations for today's challenges. Whether that be in entertainment security and data safety of high profile clients, or, in the storage and data protection of individuals life data storage, we will continue our quest to find the next remarkable technology products and services!

Ryan, I know you already have enough to do with but there is a very urgent issue. Attempting to hack into my account is illegal. If I find any more records of somebody attempting to access my account, I will consider it illegal act and proceed as if a hostile party is attempting to hack my accounts And report it accordingly. I just got a notification from Google that somebody is trying to access my accounts and they sent an access code. I did not request that and I know what's going on. Need to stop immediately!

Description of Incident

Provide a description of the incident and how you were victimized. Provide information not captured elsewhere in this complaint form.

On May 14th, 2019. LinkedIn informed my account had been hacked. I have screenshots and records of the changes made to my account that included the removal of my entire history with WorldFlix (10 years) and complete modification of my bio to also remove subsidiary companies founded within WorldFlix. Around this same time, I have communications from WorldFlix WRFx counsel, Ryan Woods, that Mr. James "Mick" Davis was traveling through New Mexico for a few days to the academy where his son attends school. This is not new to me as many times in communications the previous year, Mr. Davis reported to me of his travels through New Mexico in regards to his son. It is also a known fact that Mr. Davis choice of a mobile device is an iPhone (ios operating system). These two known facts combined with the blatant removal of my WorldFlix information and personal BIO changes are very clear that Mr. Davis hacked into my LinkedIn account. This is an illegal act and possibly a federal offense. I was very inured by this action and once again afraid my life was subject to further invasion and hacking by Mr Davis.

Hello,

As a former founder of this company (OTC; WRFX), I was very concerned to see the new CEO, James "Mick" Davis, using aliases to post about the company in top stock boards. This gentleman has been doing this for over one year (I was only recently alerted) and continues to post as the same alias. The reason we know it is Mr. Davis is due to his alias connection to his Gmail account of the same name: "phataviator".

Notice Regarding Nonappearance at Hearing and Service of Order

If you have been personally served with this Temporary Restraining Order and form CH-109, *Notice of Court Hearing*, but you do not appear at the hearing either in person or by a lawyer, and a restraining order that is the same as this Temporary Restraining Order except for the expiration date is issued at the hearing, a copy of the order will be served on you by mail at the address in item ②.

If this address is not correct or you wish to verify that the Temporary Restraining Order was converted into a restraining order at the hearing without substantive change, or to find out the duration of the order, contact the clerk of the court.

After You Have Been Served With a Restraining Order

- Obey all the orders.
- Read form CH-120-INFO, *How Can I Respond to a Request for Civil Harassment Restraining Orders?*, to learn how to respond to this Order.
- If you want to respond, fill out form CH-120, *Response to Request for Civil Harassment Restraining Orders*, and file it with the court clerk. You do not have to pay any fee to file your response if the Request claims that you inflicted or threatened violence against or stalked the person in ①.
- You must have form CH-120 served by mail on the person in ① or that person's attorney. You cannot do this yourself. The person who does the mailing should complete and sign form CH-250, *Proof of Service of Response by Mail*. File the completed proof of service with the court clerk before the hearing date or bring it with you to the hearing.
- In addition to the response, you may file and have declarations served, signed by you and other persons who have personal knowledge of the facts. You may use form MC-030, *Declaration*, for this purpose. It is available from the clerk's office at the court shown on page 1 of this form or at www.courts.ca.gov/forms. Instructions for Law Enforcement**Enforcing the Restraining Order**

This order is enforceable by any law enforcement agency that has received the order, is shown a copy of the order, or has verified its existence on the California Restraining and Protective Orders System (CARPOS). If the law enforcement agency has not received proof of service on the restrained person, the agency must advise the restrained person of the terms of the order and then must enforce it. Violations of this order are subject to criminal penalties.

Start Date and End Date of Orders

This order *starts* on the date next to the judge's signature on page 4. The order *ends* on the expiration date in item (4) on page 1.

Arrest Required if Order Is Violated

If an officer has probable cause to believe that the restrained person had notice of the order and has disobeyed the order, the officer must arrest the restrained person. (Pen. Code, §§ 836(c)(1), 13701(b).) A violation of the order may be a violation of Penal Code section 166 or 273.6. Agencies are encouraged to enter violation messages into CARPOS.

Notice/Proof of Service

The law enforcement agency must first determine if the restrained person had notice of the order. Consider the restrained person "served" (given notice) if (Pen. Code, § 836(c)(2)):

- The officer sees a copy of the Proof of Service or confirms that the Proof of Service is on file; or
- The restrained person was informed of the order by an officer.

An officer can obtain information about the contents of the order and proof of service in CARPOS. If proof of service on the restrained person cannot be verified, the agency must advise the restrained person of the terms of the order and then enforce it.

If the Protected Person Contacts the Restrained Person

Even if the protected person invites or consents to contact with the restrained person, this order remains in effect and must be enforced. The protected person cannot be arrested for inviting or consenting to contact with the restrained person. The order can be changed only by another court order. (Pen. Code, § 13710(b).)

Conflicting Orders—Priorities for Enforcement

If more than one restraining order has been issued, the orders must be enforced according to the following priorities (see Pen. Code, § 136.2; Fam. Code, §§ 6383(h)(2), 6405(b)):

1. *EPO*: If one of the orders is an *Emergency Protective Order* (form EPO-001) and is more restrictive than other restraining or protective orders, it has precedence in enforcement over all other orders.
2. *No Contact Order*: If there is no EPO, a no-contact order that is included in a restraining or protective order has precedence over any other restraining or protective order.
3. *Criminal Order*: If none of the orders includes a no contact order, a domestic violence protective order issued in a criminal case takes precedence in enforcement over any conflicting civil court order. Any nonconflicting terms of the civil restraining order remain in effect and enforceable.
4. *Family, Juvenile, or Civil Order*: If more than one family, juvenile, or other civil restraining or protective order has been issued, the one that was issued last must be enforced.

Temporary Restraining Order (CLETS-TCH)
(Civil Harassment Prevention)

CH-110, Page 6 of 6

CH-115 Attachment 3b(4)

15 SEP 2019
Case No. 19STR005977

Your Honor,

I was personally served a "Notice of Hearing" CH-109 at my home at 415 Cabaret Street Prescott Arizona 86301 on Thursday evening 12 SEP 2019 at 6:20 PM. Just by happenstance, I was home in Arizona having returned from travel in Washington DC a week earlier.

After receiving and reading the contents of the CH-100 Request for Civil Harassment Restraining Orders, and due to the **fantastic nature** and number of the allegations claimed, it would in the best interest of all parties and respecting the court's time if I may be permitted to retain competent legal representation for this matter.

The plaintiff's former Company is in the last stages of a forensics financial audit of the Company where the plaintiff was the sole officer and employee. I am now the Chairman and interim CEO and unfortunately, the plaintiff has defaulted on his severance agreement. I believed this is the true motive for the plaintiff actions with the court. [CIV110]

If it pleases the court, I would like to provide nominal information for consideration and reasons to extend the hearing period.

I normally reside in a remote mountain community in Northern Arizona. I am not a resident of the State of California and have not visited the state since 22 January 2019. I have not spoken to the plaintiff since our last Board of Directors meeting on 15 March 2019 and my last e-mail confirming the plaintiff's resignation on 16 April 2019 and removal of his banking and market reporting accesses was on 24 April 2019.

I am requesting (60) sixty days to prepare an appropriate response and to coordinate with council to prepare confutation to these allegations. I have not identified an attorney candidate and hope to accomplish that this week. To prepare an appropriate documented response to the (24) pages containing (30+) allegations with unverified statements from at least 6 individuals, we respectfully request a hearing continuance.

I am working in Helsinki Finland returning to Arizona after 20 October 2019.

I respectfully request to participate by way of telephone as I reside 400 miles away from your courtroom in a small remote town in Northern Arizona. I am involved in extensive travel for work both domestic and international. [CIV020]

I have given a power of attorney to a former business associate and cousin who lives in the area to assist with getting these forms, motions and request to your court in a timely matter.

Thank you for your consideration
